

# KID'S KUBES™ (8 ICE CUBES ON A STRIP)

**Reusable Ice Strip Made of Durable, Reinforced Plastic**

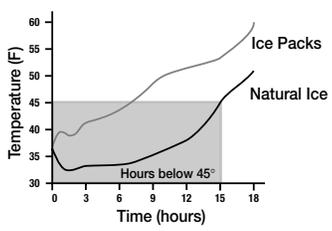

## Reusable Ice for Kid's Lunches & Boo Boos!

KIDS KUBES™ is not a chemical gel - it's made with pure water - which is safe around food, kids and pets! Made by NATURAL ICE™, parents no longer have to worry about keeping their kid's lunches cold and dry. KIDS KUBES™ are the perfect size for softsided coolers and other small lunch containers. They are a reusable, flexible ice strip that's made with pure Wisconsin water and sealed tight in durable plastic. KIDS KUBES™ eliminate water mess and the inconvenience of ordinary ice. What's more, KID'S KUBES™ are flexible ice strips that freeze faster, cool longer and take up less cooler space than chemical gel packs. **Kid's Kubes™ can also be used for treating minor bumps and bruises.**
